INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

My aunt, Elmore Tapp, whose maiden name was Guerin, was enrolled as -- Mariah Gearin, and my aunt, Sarah Adair, now deceased, was enrolled as Sarah Gearin, she being the only member of the family who was properly enrolled, although the name was spelled incorrectly.

I solemnly swear that the foregoing statements made by me are true to the best of my knowledge My uncles, William Barnett Miller and Platoff Lowrey Miller were twins, but ~~the name~~ Their sir name, Miller, did not appear after their name and they are enrolled with the Guerin family. My great uncle, James Starr, had a son and daughter, Jannie Pack, nee Starr and Alexander McCoy Starr, both of whom died without descent. Miscellaneous #1

Sarah Venerable being first duly sworn deposes and says.

I am 61 years of age, and live at Winston-Salem, N.C. I claim Indian blood through my grandmother and grandfather, who are dead. I never heard them say to what tribe of Indians they belonged. I never lived with the Indians. I was never enrolled or paid any moneys, although I have heard of Indians being enrolled. That was 25 or 30 years ago. My father and mother were not held as slaves. I was never held as a slave. I lived in Surry County before the War. My mother was raised in Forsythe County. My father was born in Halifax Courthouse, Va. My mother is alive and living near Stony Ridge in Surry County, and is 107 years old. I remember my grandparents on my mother's side. My grandparents on my mother's side lived in Forsythe County. I never heard them say whether they lived with Indians. The Indians were carried away from here before I can remember. My father and mother never received any Indian money. I was not married before the War. I have heard my father talk of the Catawba Indians. I have heard him speak of the Cherokee Indians. He said I was kin to the Indians, but did not say any special tribe. I was free born. Malinda Scales of Donaha, Forsythe County, N.C. is my sister.

Wm. P. Atkins, after being first duly sworn,
deposes and says:

I am 57 years of age; was born in Rabun County, Ga. I claim Indian blood through my mother. Neither my mother nor myself ever received any Indian money. My mother claims her Indian blood through her father, Pleasant Evans. He looked to be an Indian. He could talk the Indian language. I do not know where he was born. He lived in Rabun County when I knew him. He was a farmer. He was a dark looking man with black beard and hair. I do not know if I have ever been enrolled. Twenty-five years ago my name was not taken by a government agent. Never heard the name Hester. I do not know if my grandfather was a voter or not. I have always voted.

Dave Barber--- Porum, Okla.

Applicant is 38 years of age. Was born in Canadian District and gives name of his father as E-wee Barber and his mother as Tsa-wa-yu-ga nee Big Kettle. It appears from the application and correspondence in the case of Dave Barber or that of his uncle, John Barber, #17643, that claimant's grandmother on his father's side was an Old Settler and his grandfather, Peter Barber, was a Mexican.. Claimant therefore can only derive rights to share in this fund through his mother. The special inquiry is to determine whether Tsa-wa-yu-ga was an Old Settler or an immigrant Cherokee. There is a Cha-war-you-gah enrolled with the Old Settlers in Canadian 144, and Big Kettle is enrolled as an Old Settler in Del. 17. On the other hand Betty or Quatie Kettle and Steve Kettle, named by the claimant as an aunt and uncle appear to have been enrolled with the immigrants in Canadian 79 and 77. Cha-war-you-gah is not enrolled on the Old Settler roll with any one shown to be a member of this family and there is nothing but the name to indicate that it may be the claimant's mother. The letter from the claimant first states " my mother is on the Old Settler roll". The words Old Settler have been run through and immigrant written above.

Hon. Guion Miller,

Dear Sir:

In reply to yours of February 19, 1908, in regard to my participation in the shares of the funds arising from the decisions of the courts of claims in application No. 12401. I will say in reply that the name of my mother in Cherokee was something like this Gah-ne-yah-el, and my grand father was -Ga-lel-ge-gah-geh, and my grand mother was Cha-wah-u-geh, My claim is through both sides of the house of the family, Te-so to-are was a great aunt of mine. Jennie was a great aunt on my mothers side. When they moved into this country they settled in Flint District, but don't know where in Cherokee Nation east they were residents.

App. No. 12401

Polly Crow being first duly sworn through John Israel, interpreter, in behalf of Susie Perdue, deposes and says:

Claimant is a full blood Cherokee. She was enrolled by the Dawes Commission. Cucumber Ross is the father of applicant. Gah-noo-yaw-ih was the name of her mother. I know her. Oo-deo-sa-deo-et-tah was a brother of her mother. She had a sister named Jinnie. Gar-se-low-ee was another brother. Gaw-se-low-ee was the ~~grandfather~~ grandfather on the mother's side. Cha-woo-yu-ka was the ~~grandmother~~ grandmother on the mother's side and she lived in G. S. District. I don't think she had any brothers and sisters. Claimant's mother never drew Old Settler money, but I have heard that she drew money in 1851. Gah-noo-yaw-ih was never known by any other name that I know of. Gaw-se-low-ee lived near the Arkansas line, Sequoyah or Flint District.

The undersigned your petitioner respectfully states to you that she is an eastern or emigrant Cherokee Indian, and enrolled by the special migrant commission as such, and opposite #14574, and as the wife of James Hooper or Coolson, Ohio.

She here and now respectfully notifies the commission that she and her husband said Hooper have separated, and living apart finally and permanently, though not divorced by law--and on this account she asks that, as he has received notice of the approval of his and petitioners application for shares in said fund, that the commission do note the fact of her protest against his receiving her share, that when he applies for his share, that her portion be withheld from him for her, and to be paid direct to her as her right in the matter--

This she does to protect herself in the matter, as regards her share or interest in the said fund---and she further asks to be advised of such action in the matter---

Very respectfully,

Akey Mc Cuen being first duly sworn, deposes and says:

That I am 46 years of age. I am 3/4 Cherokee. My mother was 1/2 breed. My father was a full blood; both Cherokees. Don't know when my father was born but he died in the time of the war. He was about 25 years old when he died. My mother was in the fifties when she died. My father had a brother named Levi Walkingstick. My father had a sister named Cho-wah-nih. Levi's Indian name was Gul-stoo-hus-kee. Jack Walkingstick was a cousin of mine; not an uncle. He was the son of one of my father's brothers, but I don't know which one. My mother's Indian name was Quatsey. ~~My mother was married under the name of Walkingstick in 1851.~~ Don't suppose she was married then in 1851. My mother was on the Old Settler roll. My father was an emigrant Cherokee. My mother received Old Settler money. My mother had a sister named Rachel. (O.S. roll Group 79 - mother Group 18 Flint). Polly and Sarah were sisters of my mother (O. S. Flint 18). Ah-dee-tus-kee was the name of my father. ~~Al-kin-nik~~ was the name of my father's mother. I have a sister named Sarah Foreman. She is sixty some odd years old. Her name before marriage was Rosa. She is a half sister on the ~~father's~~ mother's side. I am the only child I know of on the father's side. I am on the Dawes Commission roll (Cherokee roll 2609). Virgie (2613 Dawes), William (2614 Dawes), Sarah (2615 Dawes) are my children. My husband is a half breed Cherokee. Jack Walkingstick is a distant relation of mine - possibly a cousin. We call cousins uncles in Cherokee lots of times. My father went by the name of Prinker often. I don't know who Katy Drinker is. Ah-daw-la-mus-ky was the name of my father's father.

My name is Ella Coon. My age is 41 years. I live in Nowata County. Have lived here 8 years. Previously lived in Claremore. I was born and raised in Coo-ee-scoo-ee District. I was enrolled by the Dawes Commission, Cherokee Roll # I do not know my Roll number, and did not bring my certificate. We have always drawn money ever since I can remember. I think we were on every Roll. My father told us we were Cherokees and we got it from both father and mother. My mother was Ruth Nicholson, Bible ~~after~~ marriage. My mother lived south of Alluwee, in Rogers & Co. I don't know where my mother was born. My father was an Old Settler and my mother an Emigrant. I don't know whether she was ever enrolled; she died when we were all small. She was in the 30's when she died. She had sisters: Elnora and Harriett. Elnora lived in Tahlequah District. I don't know whether my mother or her people ever associated with any other tribe of Indians. I don't know where my father lived. He died when my mother was small.

I know Arthur A. Bible. He is my brother. I know he was enrolled. He is enrolled by Dawes Commission, Cherokee Roll #2633.

My father was Lewis Bible but I don't know much about his side.

My name is John A. Gonzales. My age is 32 years. I was born and raised in Flint District. I got the strip payment. I am enrolled by the Dawes Commission. I did not bring my number with me. I get my Indian blood from my mother. She is dead. She has been dead about 19 or 20 years. She was middle-aged when she died. I don't know whether she was enrolled in 1851. Her name was Margaret Pettitt; Gonzales after marriage. I think it was Margaret; her nick-name was Ar-neeoh. She had a brother Sam ~~Three~~-killer, Walter, Jinnie and Lull; half-brothers and sisters. I don't know her father's name, and she has no full brothers and sisters. My mother's mother's name was Charlotte Adair. She married Six-killer. I think my mother was a child in 1851. Charlotte Adair must have been Charlotte Six-killer in 1851. I think she lived in Flint District. John B. Adair and Delia were her brothers and sisters. Samuel Adair I think was my great-grandfather's name. (Samuel and Charlotte 244 Fl.) but never heard anything about remainder of group. After she (Charlotte) married Sixkiller, she also lived in Flint District. John B. Adair said that my grandfather on my mother's side was Charley Pettiett. Ben was my great-grandfather. I think he must have lived in Flint District. I do not know whether my great-grandfather Benjamin Pettiett was living in 1851 or not. (244 Fl.) I don't know whether all were Old Settlers but I drew Old Settler money through my mother. I don't know which side of my mother's parents were the Old Settlers. I don't know whether they ever joined any other tribe of Indians.

In the matter of the claim of
Henry V. Drake et al for
participation in fund appropriated by
Congress June 30, 1906, for Eastern
and Emigrant Cherokee Indians and their
descendants.

On this 31st day of July, A. D. 1906, personally appeared before me, Orville E. Gorman, a Notary Public in and for aforesaid County, duly authorized to administer oaths, James Harralson, aged 80 years, a resident of Webb City, Jasper County, Missouri, well known to be reputable and entitled to credit, and who, being duly sworn on his oath, declared and saith in relation to said case as follows:

I was well acquainted with Alexander Brown in his life time. He came from McMinn or Monroe County, Tennessee, and located and settled near what is now known as Brighton, Polk County, Missouri on or about the year of 1836 or 1837. He came to said Polk County two or three years before his death. The said Alexander Brown when I first knew him lived in Tennessee. I have heard that he came to Tennessee from Georgia. He lived about a mile from where my father lived in Tennessee. I knew said Alexander Brown from the time I was old enough to remember any one until his death. He visited my father and my father visited him quite often. His family and my father's family visited back and forth quite often. His children and my father's children played together often and the two families were intimately acquainted with each other. I have a very clear and distinct recollection of hearing the Said Alexander Brown say that he was registered or that his name was on the roll of Cherokee Indians prior to his leaving Tennessee. I saw him and was intimately acquainted with him both in Missouri and Tennessee. Said Alexander Brown was a tall broad shouldered man, rather slim, high cheek bones, dark complexion with black hair and eyes. He said His children were generally known and recognized and reputed to be part Cherokee Indian. They had the appearance of being part Indian. I have heard Alexander Brown and also his children say that he was a half blood Cherokee Indian and they always claimed to be of Indian blood.

Said Alexander Brown's remains were buried at the Brock Grave Yard near Brighton in Polk County, Missouri. It was the general talk among the neighbors and children of said Alexander Brown that he was a half blood Cherokee Indian and that his name was on the roll of Cherokee Indians. I recollect that he was called by the Indian nick name of "Swanee". When he left Tennessee and came West he was accompanied by a number of families.

I have no interest in said case and am not concerned in its prosecution.

Said Alexander Brown was the father on the following named children: Thomas Brown, Dicie (Brown) Fender, Ison Brown, Zach Brown, Sarah (Brown) Hambelton, who was also called "Sally" Elizabeth (Brown) Ruth, Susan (Brown) Proctor, Annis (Brown) Pace and Violet (Brown) Ruth.

Said Sarah (Brown) Hambelton was the mother of Martha & Harralson whose maiden name was Martha & Hambelton, who is the mother of Jockey Sammie Drake whose maiden name was Jockey Sammie Harralson, who is the mother of Henry V. Alexander Brown, which occurred about the year of 1857 or 1858. Said

came to Missouri until his death. His remains were buried at what is now

During the time above mentioned, the said Alexander Brown and I lived
in the same settlement as neighbors. We saw each other and were to-

versations together and became intimately acquainted.

The said Alexander Brown told me that he was a Cherokee
Indian--my recollection is that he told me that he was a half blood

Sizemore.

Jesse D. Osborne being first duly sworn deposes and says:

I am 58 years of age, and live in Ashe County, N.C. I suppose I have Indian blood, according to what people tell me. My understanding is that it is Cherokee Indian blood. I claim my Indian blood through my father, David Osborne, and his Indian blood came through his father, Jesse Osborne. I remember my grandfather, Jesse Osborne. As well as I recollect, he died at the close of the Civil War. He lived and died in Ashe County, having lived in this immediate section all of his life. I do not know where he was born. I suppose my great gran father, Elias Osborne, had no Indian blood, but he married Sally Sizemore, who was a daughter of Ned Sizemore, and she had Indian blood. According to what I have always heard, Ned Sizemore was said to be a Cherokee Indian. I have heard that Ned Sizemore lived in this part of the country a part of his life, and died and was buried near here, in what is now Alleghany County. It has been generally known in my community all of my life that I have Indian blood. My mother might have called me a little Indian at some time in my life, but I do not remember that it was ever thrown up to me. I have been a voter all of my life. I have never heard that the Indians visited my father or grandfather or that they ever visited the Indians. I do not think my father ever received any money from the government on account of his Indian blood, nor have I ever received any. I know Marion Woody, of Crutcher. He is my uncle, and I know him quite well. I have never heard him speak of Ned Sizemore. I do not know that I have heard that Ned Sizemore had brothers and sisters, although it seems that I have. I have seen Owen Sizemore, who is said to be Ned Sizemore's son. I have never heard of Dr. Johnny Sound Sizemore. I saw 27 full-blood Cherokee Indians at Statesville, N.C. once. They had a law suit, and they lived in Cherokee County. This Cherokee matter was talked about lots about 30 years ago. At that time my uncle, who married my aunt, was getting up word in some of these matters—I do not know just what.

Rec. JAN 11 1908
No. 12477

Beldon, N.C.
Dec. 6th 1907
Nathan Bickford & associates

Gentlemen:-

After investigation, I find
Ned Sizemore's wife's name
was Nethe and that she
died in Ashe (now Alleghany) Co.
N.C., about the year 1859 or
probably a little earlier.

I think the following is a
correct list of names of
his children, viz:

George Sizemore,
Ned Sizemore Jr.
Owen Sizemore,
Hiram Sizemore,
Catherine Sizemore,
Sally Sizemore
Lydia Sizemore
(can)

Dally Sizemore and
Bette Sizemore.

Bette was called for a
nice name "Dookie"; she
married a Stamper, Dally
married a Hask, Lydia
married a Blivins, Catherine
a Host and Dally, through
whom the Osborns claim,
married Elias Osborne.
I find another old lady,
Lanica Laxton of Beldan,
Ash County, N.C., who says
she often saw Ned Sizemore
and wife and says they were
both Cherokee Indians.

As to the exact dates of their
births, I doubt think I will
be able to give them.

There is no question about
our claims being good
and with the evidence

I now have from James
Wagoner of McIntosh, N.C., J. M.
Woodie, Crumpler, N.C., Martin
Brown, Jefferson, N.C., and
Laurissa. Layton, Beldon, N.C.
before the Comm. I feel
sure our claim will be
allowed.

How do you think our
claim stands now? Do
you think we are likely to
be enrolled? If there
is any doubt about the
Comm. placing our names
on the rolls, hold our
claims up and insist
on the evidence of the
above named parties.
It is positive and can
not be rejected.

Another thing that

Sir -
I will ask that in the
matter of the descendants of
Ned Sizemore, that you obtain
the evidence of Mrs. Lurisa
Laxton of Beldon, N.C.

She is 81 years of age. Says
she often saw Ned Sizemore

both Cherokee Indians. That
they died in Alleghany Co. N.C.
and that their children were
also recognized Cherokees.
How long do you think it

you think them claims good?
We are confident our claims
are good and are anxious to

Sir:-

In the order made by The
Court of Claims on Apr. 29",
relative to the Eastern Cherokees,
directing that the fund arising
from the claims of the Court of
Claims of May 28" 1906, the order
says, the fund is to be distrib-
uted to all Eastern Cherokees by
blood, living on May 28" 1906,
who shall establish the fact
that they were members of
the Eastern Cherokee Tribe of Indians
at the date of the Treaty of
1835-6 and 1846, or are descendants

of such persons.

Does this order imply, that claimants must show that those through whom they claim were enrolled at these dates? Or, does it mean that they must show or prove that they were members of the Tribe only, and communal owners with many Cherokees who perhaps were represented by their chiefs or heads? My claim is #12477 and I claim through Ned Sizemore a Cherokee Indian who lived at the dates 1835-6 and 1846. He can show that he lived at those dates, that he was a Cherokee Indian and that I am one of his descendants but I do not

know whether or not we can
show or prove that he was
enrolled in 1835-6 or 1846.

Please advise me by return

this point, and if you have

Your letter of May 17, 1907, relative to the claims of the descendants of Ned Sizemore for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, came duly to hand.

In it you ask whether or not it will be necessary for these claimants to show that Ned Sizemore was entolled with the Eastern Cherokees in 1835-6 and 1846, or whether it would be sufficient to show that he was a recognized Eastern Cherokee Indian on those dates.

In reply you are advised that this question has not yet been definitely determined. There have been a large number of claims filed by the descendants of Ned Sizemore, and when we reach these claims for consideration we will take testimony and examine witnesses to show just what was the connection of Ned Sizemore with the Cherokee tribe.

Jackoline Welch, being duly sworn, deposes

My name is Jackoline Welch. My age is 42 years. I live in Sequoyah County. I was born and raised in Flint District. I am enrolled by the Dawes Commission Cherokee Roll No. 2169. I got the bread and strip payments twice. I claim to be a Cherokee Indian. I have never associated with any other tribe. I get Indian blood from both mother and father. My mother was a full-blood Cherokee Indian. She is still living. Her name is Betty Adair. She was enrolled by the Dawes Commission and got the bread and strip money. I do not know how old she is and do not think she knows herself. I think she was enrolled in 1851. Her father was called Joe Mitchell a whole lot but my mother went by the name of Betty Clingan. She had a Cherokee name Di-ya-ni of De-ya-ne. She has a half-sister Janie Downing, Johnson Downing's wife. She is older. My mother's mother's name was Katy Clinging I reckon. She lived about 14 Mile Creek. She had been dead a great many years. My mother drew Old Settler money but not as long ago as 1851. I don't remember any other brothers and sisters of my mother. It has been more than ten years since she drew Old Settler money. My father was Newt Adair but he signed his name J. B. Adair. My father drew Old Settler money at the same time my mother did. I don't know whether he was enrolled in 1851. My father had a brother George Adair. He lived in Flint District. He was older than my father. My father and mother are living at Stilwell, Okla. He is somewhat over 60 years. I had two aunts who are dead, Charlotte and Delia Adair before marriage. Charlotte married Watt Sixkiller. She lived in Flint. Delia married a Gonzalis. She lived in Flint District. My father's mother's name was Polly Adair, Huse or Hughes before marriage. She was from Georgia and lived in Flint District. I don't know just when she came from Georgia. I don't know whether she was regarded as an Old Settler. One of Polly Adair's sister was named Betsey, and she married a Row. Catherine Adair was my uncle George's wife's name. My father's father's name was Samuel Adair. I think Samuel had a brother Andy; and that is all I can recollect. He had a sister called Katy or Catherine who married a Bigby. Samuel lived in Flint District. (244 and 250 Flint). I have a sister Lizzie Housebug, who is five years older than I am. I don't know when these people came from the Eastern States. I think before I was born. I have a brother Samuel and others. John F. Adair is now dead. He was killed last June. I have 7 children.

App. No. 12484

Cucumber Ross being first duly sworn through John Israel, deposes and says:

I am about 55 years of age. I am the son of Chief John Ross. William Ross of Welling, Okla. is my first cousin. His father was named John Ross and my father was named Chief Ross. They were brothers. I have no brothers. ~~XXXXXXXXXXXXXXXXXXXX~~ I got land from the Dawes Commission. I did not draw Old Settler money. I was born in Tahlequah District. My father was not known by any other name than Chief that I know of. My father lived in Tahlequah District in 1851. My father drew Old Settler money. It was along about 1851 and was Old Settler money. Quaisy or Betsy Ross was my mother. She lived in Tahlequah District. I don't know whether my mother drew Old Settler money or not. I have ~~xxxx~~ been told that she drew Old Settler money. I am not sure about this. It is what I have been told. I don't know of any brothers that my father had. I don't know of any brothers and sisters of my mother. I don't know whether my father ever lived in any other District or not. I don't know who Jarratt Ross was. Silas Ross was an uncle of mine and he raised me. He lived in Tahlequah District. Lewis was a brother of Silas. There was a sister named Le-sih or Lizzie. I don't know the name of Silas Ross' father. My father was a brother to Silas' father. (Applicant again states that he thinks his father drew Old Settler money. He doesn't know about his mother but people have told him that her people drew O. S. money too).

Where were your grandparents on both sides residing in 1854-55, and when did they move west?

COURT OF CLAIMS

No. 12493

admit case

Tulsa, Oklahoma.

January 4-1910.

Mr. Guion Miller, Special commissioner,
601 Ouray Building,
Washington, D. C.

Dear sir;

I see by your report to the court of claims of May 28-1909 you have enrolled John Anna Davis (Roll number 9375) as entitled to participate in the fund arising from the Judgment of the Court of Claims of May 28-1906.

The circular sent to John Anna Davis of Afton, Oklahoma, does not state when the payment will be made and where, it merely says where the rolls may be examined.

John Anna Davis has requested me to ascertain when and where the said payment will be made.

Will you please inform me when the said payment will be made and when and where the said John Anna Davis must go to receive the share due from said fund. Will it be necessary and must the said John Anna Davis appear in person at the appointed time and place to receive the share of said fund or can they authorize some one to go and represent them and receive the money for them?

Thanking you in advance for the anticipated favor, I am?

Very respectfully.

Chas. J. Simon, atty-at-law.

App. #12493.

January 8, 1910.

Chas. N. Simon, Attorney,

Tulsa,

Oklahoma.

Sir:

Replying to your letter of January 4, 1910, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee Fund will be distributed.

There have been a large number of exceptions filed to my report, and these will be taken up for final disposition by the Court on January 10, 1910, but until the roll is finally approved by the Court no money can be paid.

John Anna Davis will receive due notice of when the payment will be made, and where it will be necessary to appear to receive said payment.

Very respectfully,

Special Commissioner.

NLC.

**SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,

Sir:

Replying to your request for a blank application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that under the order of the Court of April 29, 1907, all applications were required to be filed on or before August 31, 1907.

It is therefore now too late to file applications except on behalf of minor children, persons of unsound mind, or persons under some other legal disability.

Very respectfully,

Sir:-

Replying to your letter of July 30, 1907, you are advised that it will not be necessary for you to file a new application for participation in the Eastern Cherokee fund, as the one you now have on file will be sufficient for yourself. However, if you have any minor children you should fill out the inclosed supplemental application and file in this office.

You are further advised that your application will not be sufficient for your brothers and sisters, and if they have not already done so they should file separate claims.

Very respectfully,

Dear Sir

I received notice from you yesterday that you had rejected my claim No 12495. As an emigrant Cherokee, what is the trouble? my name appears on the roll of 1851 together with my mother brothers Westers, and my mother drew our share of the money at Ft Gibson in 1852. I was 12 years old then and remember it well. I am as much entitled to participate in the prospective payment as any one of 30000 names you have on your Certified roll. my name appears on your roll, but it appears you recommended it be rejected afterwards. there is no question about my Cherokee blood, my mother was $\frac{1}{2}$ blood and that leaves me $\frac{1}{4}$ and my mother came here with other emigrants in the year 1838 and I cannot see why I should be rejected.

My folks were all enrolled in Tahlequah Chick Cherokee
Nation in 1857. When you agent was here looking
up evidence in several cases I appeared before him
several times as a witness, and he did intimate
that my case was in any doubt.

If you will answer this I
will be much obliged, I want to know how
to proceed.

Very Truly Yours
